

### LE CHÂTEAU

Part of HEC Executive Education programs are run at the heart of a vast wooded park and on the edge of the Bièvres Valley. The castle is a beautiful setting for learning, exercising and relaxing.

#### MEALS AND ACCOMODATION

Rooms “Château” are entirely renovated and decorated with traditional "toile de Jouy" fabric. “Nordling” rooms are more simple yet comfortable with a direct access to the park. All rooms are equipped with landline phone, TV and Wireless Internet connection.

Our Chief and his team offer a traditional Cuisine prepared in accordance with seasons. Meals are served in our typical dining room.
